Activity Descriptions

Baking
Learn to bake and decorate tasty treats to take home and share.

Clip 'n Climb
Build confidence and skills while tackling fun climbing challenges.

Circuit Building
Build, test, and explore simple electrical circuits while discovering how electricity flows and powers everyday devices.

Cheerleading
Jump, dance, and perform while building teamwork, coordination, and confidence through fun cheerleading routines and activities.

Cooking
Measure, prepare, and make delicious recipes while developing independence, teamwork, and kitchen skills.

Drama
Build confidence and creativity through acting, improvisation, and performance in a fun, supportive drama environment.

Fitness & Circuits
Stay active and have fun as you complete a range of fitness challenges that develop endurance, teamwork, and confidence.

LEGO Building
Build, create, and imagine while developing problem-solving skills, creativity, and confidence through fun LEGO challenges and activities.

NERF Wars
Run, dodge, and strategise while building teamwork, coordination, and confidence through action-packed NERF battles.

Photography
Capture creative images while learning photography skills, exploring composition, and seeing the world through a new lens.

Science
Explore how the world works through hands-on experiments, investigation and practical science activities that encourage curiosity and discovery.

Singing
Develop confidence, performance skills, and musical creativity while enjoying fun group singing sessions.

UV Dodgeball
Duck, dodge, and throw while building teamwork, agility, and confidence through fast-paced dodgeball games. Played under UV lighting.

So much to try. So much fun.
